An ACR Accredited Facility

## **CT ABDOMEN/PELVIS BOWEL PREP INSTRUCTIONS**

A CT scan has been prescribed by your Physician. Our Radiologist will evaluate your abdomen and pelvis and all contents within. All of your organs from your diaphragm down to the bottom of your pelvis will be imaged. At Madison Medical Imaging it is our desire and responsibility to offer a comprehensive service that will ultimately benefit you, the patient. In order to properly evaluate your abdomen or your abdomen and pelvis you must **follow our bowel prep regimen closely.**

**REDICAT WILL BE GIVEN TO YOU BY YOUR PHYSICIANS OFFICE OR YOU MAY PICK IT UP AT OUR OFFICE IN MADISON.**

### **Morning Appointment**

1. One bottle of Redi-cat the night before your exam.  
(Usually before you go to bed.)
2. Second bottle of Redi-cat 1 ½ hours before appointment.
3. A third drink will be given immediately before your exam.

### **Afternoon Appointment**

1. One bottle of Redi-cat the morning of the exam and a second bottle 1 ½ hours before the exam.

**Remember:** Do not eat after midnight before your morning exam.  
Do not eat 4 hours before an afternoon exam.

Please call **(601-853-9149)** if you have any questions
